IPTV Experts

THE MOST EXPERIENCED TEAM IN THE IPTV BUSINESS WITH OVER 10 YEARS IN THE MARKETPLACE.

ZaapTV established its strong reputation in 2008 and has been a leader in IPTV products ever since. Whilst others have come and gone, ZaapTV still remains at the very forefront of the IPTV arena.

With technological advancements in both IPTV products and the Internet delivery system (ie. the NBN rollout), ZaapTV will only enhance its position in the market as the No1 Vendor for IPTV.

ZaapTV is No1 in Australia and around the world, including: USA, Canada, England, Europe and South Africa.
